

As a parent, you know your family is important.

The Foster Care Review Board wants to hear from you about your family.

Foster Care Review Boards (FCRB) work best when you and your child(ren)'s team are present at reviews. Your attendance would be greatly appreciated; you have a right to representation of your attorney at the review. If you cannot attend in person, please provide a written or recorded statement as your testimony to be shared during the review and included in the Board report. Contact your attorney if you have questions about the FCRB. Below is some guidance on the information the Review Board is interested in hearing about. Feel free to provide other updates you believe the Board should know. Please submit your testimony **at least 3 days prior to the meeting** so we can ensure the Board receives your update. Thank you for taking time to contribute to your child's foster care review board meeting.

To ensure that you receive proper review notification and FCRB reports, please verify your mailing address, phone number and email with your written or recorded statement.
